

Full Time - £19,000 pa**Relocation allowance of up to £1k**

The Union's Full-time Officers (President and Vice President) represent and work for University of Suffolk students. They make sure the student voice is heard when decisions are made that affect them, and raise issues and run campaigns on their behalf. Our Full time student officers are Charity Trustees of the SU and Directors of our trading subsidiary (which runs ShopSU). This role will help you to develop a range of employability skills, gain confidence and experience and crucially; you will have made a positive impact on the lives of University of Suffolk students.

The President, in partnership with the Vice-President:

- Works to secure a continually improving student experience at the University of Suffolk
- Is a member of the University Board (the highest decision making authority at the University)
- Is a member of the Student's Union Trustee Board
- Is the public face of the Student body to local and national communities and organisations
- Attends regular meetings with the University Vice Chancellor and Executive to ensure that student views are represented
- Works with the SU team and within the agreed strategy and services to translate policy into action.

Education, Engagement and Training

- Represents students and campaign on matters directly related to students' education.
- Attends university groups and committees focussing on the development of educational issues.
- Works to put their manifesto pledges into action
- In conjunction with the Union's Student Representation Co-ordinator, develops student engagement and participation with the Union's democratic structures (Student Council, Elections, Student Officer Committee)
- Provides support and leadership to the Executive Team of part-time elected officers to ensure they can achieve their aims.
- Engages students with the work of the SU and University
- Undertakes continuous development and training internally and externally to an agreed development plan
