

Full Time - £19,000 pa**Relocation allowance of up to £1k**

The Union's Full-time Officers (the President and Vice President) represent and work for University of Suffolk students. They make sure the student voice is heard when decisions are made that affect them, and raise issues and run campaigns on their behalf. Our Full time student officers are Charity Trustees of the SU and Directors of our trading subsidiary (which runs ShopSU). This role will help you to develop a range of employability skills, gain confidence and experience and crucially; you will make a positive impact on the lives of University of Suffolk students.

The Vice President, in partnership with the President:

- Works to secure a continually improving student experience at the University of Suffolk
- Is a member of the University Board (the highest decision making authority at the University)
- Is a member of the Student's Union Trustee Board
- Is the public face of the Student body to local and national communities and organisations.
- Attends regular meetings with the University Vice Chancellor and Executive to ensure that student views are represented
- Works with the SU team and within the agreed strategy and services to translate policy into action.

Welfare and Opportunities

- Work closely with the University on initiatives to develop support available to students
- Work with SU Advice to develop the service to agreed operating plans and to support initiatives that encourage student well-being.
- Encourage Student Representation through active participation in society and sports leadership
- Works to put their manifesto pledges into action
- With the Student Opportunities Co-ordinator, promotes and supports SU societies, SU Social Sports and SU Competitive sports, increasing engagement as part of the agreed operating plan
- Works with the Union's Student Representation Co-ordinator to increase student engagement and participation with the Union's democratic structures (Student Council, Elections, Student Officer Committee)
- Provides support and leadership to the Executive Team of part-time elected officers to ensure they can achieve their aims.
- Engage students with the work of the SU and University
- Undertakes continuous development and training internally and externally to an agreed development plan
